

GARAGE SALES AND OUTDOOR RETAIL SALES

COVID-19 CHECKLIST

Garage sales, yard sales, and other outdoor sales are a great part of our summer. Enjoy them but be sure to follow these steps to keep everyone safe.

☐ Practice social distancing by...

- ☐ Place posters encouraging social distancing for customers to see upon arrival and while shopping.
- ☐ Set up tables 6 feet apart.
- ☐ Use heavy-duty tape or signs to form a flow for customers to follow throughout the sale.
- ☐ Ask customers to stand 6 feet apart while in line to pay.
- ☐ To reduce the amount of time customers are around the cashier, have customers bag their own merchandise in a different area away from the cashier.

☐ Disinfect tables and items you are selling throughout the day.

- ☐ Make sure all merchandise is washed and dried and/or wiped down with a disinfectant product before placing on a table for sale.
- ☐ Wipe down all tables and chairs using disinfectant at the end of the day or in the morning before the next day of the sale starts.

☐ Wear cloth face coverings and disposable gloves at all times during the sale.

☐ Have hand sanitizer with at least 60% alcohol on tables and other places for customers to use.

☐ Have a trash can available for shoppers to dispose of gloves and masks.
