

July 4th Parade: Street Float Registration Form

Street Float Registration begins **Tuesday, April 15th** and runs through **June 22nd**.

Let's come together and make this year's parade unforgettable by creating a float for the theme,
"Holidays in the Hills."

- Each participating street must submit this entry form designating your float theme.
- You can choose any holiday celebrated; examples include Halloween, July 4th, Christmas, St Patrick's Day, Easter, Earth Day, Hanukkah, Memorial Day, President's Day, Valentine's Day
- We will allow duplicates this year because everyone celebrates differently, and that's what makes it special!
- Waivers will be sent to you once your float theme is claimed and confirmed.
- Each registered street will receive a stipend from the WHCA to help with expenses; a check will be delivered the week of 6/22.

Your unique interpretation will add to the diversity and excitement of the event. The more floats we have, the more vibrant and enjoyable the parade will be for everyone. So, gather your neighbors, get creative, and let's bring the spirit of the Holidays to life in the Hills!

THANK YOU for participating in making the July 4th parade a community favorite!
